QUICK REFERENCE GUIDE

00505-NAV10-SIE

TOYOTA

TABLE OF CONTENTS

LIMITATIONS OF THIS QUICK REFERENCE GUIDE

This Quick Reference Guide is designed to provide information on the basic operation and key features of the navigation system. The Quick Reference Guide is not intended as a substitute for the Navigation Owner's Manual. We strongly encourage you to review the Navigation Owner's Manual so you will have a better understanding of the navigation system capabilities and limitations.

1 **MENU Button**
Access Voice Guidance Volume, Select User, My Places, Setup and Suspend Guidance.

2 **DESTINATION Button**
Input the destination by one of several methods and initiate route guidance.

3 **MAP/VOICE Button**
Repeat the last voice guidance prompt, cancel the map scrolling feature, or display current position.

4 **AUDIO Button**
Set the radio station presets, adjust the balance and tone controls.

5 **DISPLAY Button**
Adjust the contrast, brightness or turn off the screen.

6 **ZOOM IN/ZOOM OUT Icons**
Touch to magnify or reduce the map scale.

7 **TILT Button**
Adjust the angle of the screen for best viewing.

8 **INFO Button**
Access Maintenance, Telephone, Calendar, Language and Screen Settings.

9 **CURRENT VEHICLE POSITION Mark**
Indicates the current position of the vehicle and its directional heading.

10 **NORTH UP OR COMPASS MODE Icon**
Touch to change the map display between North-up or Head-up perspectives.

DESTINATION INPUT

BY ADDRESS

Step 1 Press the DEST panel button followed by [Address] and move to step 3. To change Search Area, touch [Change] and move to step 2.

Step 2 Select the desired Search Area and touch [OK].

Step 3 Input the house number.

Step 4 Touch [Street] and input the street name. Touch [List] to see all of the available options.

Quick Tip - Enter the street name without prefixes such as North or the letter N. The system will display all of the options available.

Step 5 Use [↑] or [↓] to scroll up or down. Touch the desired street and go to step 8. If the street you are looking for is not listed, touch [City] and go to step 6.

Step 6 Touch [Input City Name] to type in the city name or select from a previously selected city. If the city is not available try the next largest city in the vicinity.

step 7 Use ⬆ or ⬇ to scroll up or down. Touch the desired city. Then touch the desired street.
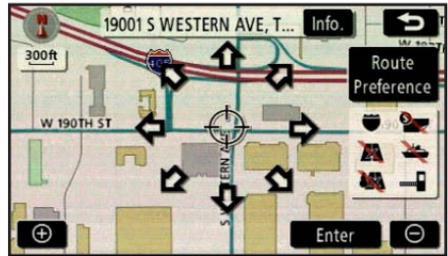

step 8 Select the desired Route Preference by touching [Route Preference].

step 9 Select the desired Route Preference(s) for the trip. When the yellow bar appears, the route has been selected. Touch [OK] to confirm your selection.
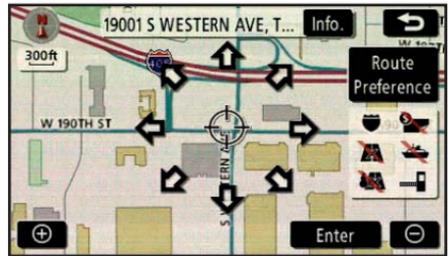

step 10 If necessary, use the arrow keys to adjust the position on the map to put you closer to your destination. Touch [Enter] to confirm the position.
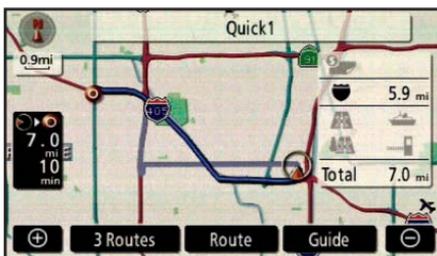

step 11 Touch [Guide] to start route guidance.

Ref. Tip 6 below.

TIPS FOR USING VOICE RECOGNITION

tip 1 Have the full and correct address in mind, so you can speak it as prompted. The system will ask for the state, city, and street name followed by the house number as separate inputs.
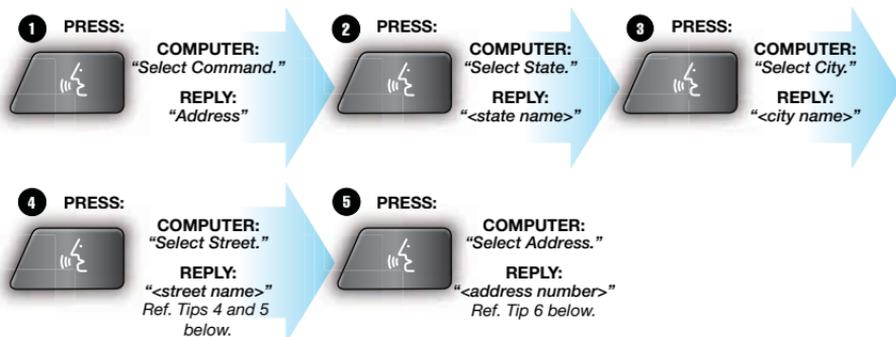

tip 2 Before using voice recognition, roll up all windows and set the climate control fan on low or off to reduce background noise in the cabin.

tip 3 Speak at a normal volume and pace, and pronounce words clearly.

tip 4 When saying street names, include North, South, East or West and Street, Avenue, Boulevard, etc. in the name.

tip 5 Numbered street names should be spoken as in these examples:
1st Street, say: *"First Street"*
15th Street, say: *"Fifteenth Street"*
190th Street, say: *"One Hundred Ninetieth Street"*

tip 6 Say a street address number as single digits. Examples:
125, say: *"One two five"*
2000, say: *"Two zero zero zero"*
32307, say: *"Three two three zero seven"*
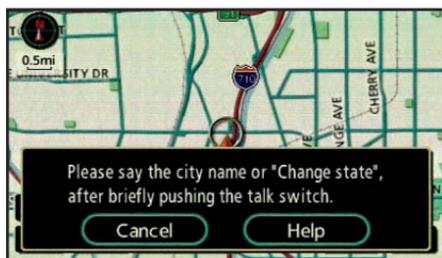

BY ADDRESS - VOICE RECOGNITION

step 1 Press the voice command button on the steering wheel. After the beep say, *"Address."*

step 2 The system will confirm your input by repeating *"Address"* and displaying the command at the top of the screen.

Please say the state name,
after briefly pushing the talk switch.

Cancel   Help

step 3 Press the voice command button on the steering wheel. After the beep say the state name.

Please say the city name or "Change state",
after briefly pushing the talk switch.

Cancel   Help

step 4 Press the voice command button on the steering wheel. After the beep say the city name.

LOS ANGELES, CA   Next

Route Preference

Cancel

Please say the street name or "Change city",

         18 mi

3 Routes   Route   Guide

step 8 Touch Guide to start route guidance.

DESTINATION INPUT - POINTS OF INTEREST (POI)

POINTS OF INTEREST BY NAME

step 1 Press the **DEST** panel button followed by [POI Name].

step 2 Input the POI name and touch **List**.

step 3 Use ⬆ or ⬇ to scroll up or down. Touch the desired destination.

Quick Tip - If the POI isn't listed in the database verify the spelling and Search Area for accuracy.

step 4 See page 15 to select desired Route Preferences. Touch **Enter**.

Quick Tip - Touching **Info.** next to the POI name will display the address and telephone number.
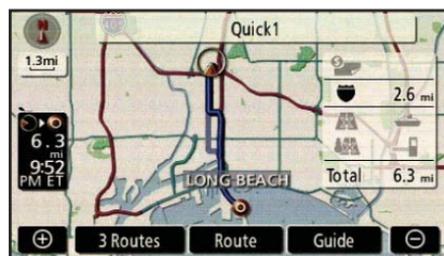

step 5 Touch **Guide** to start route guidance.

DESTINATION INPUT - POINTS OF INTEREST (POI)
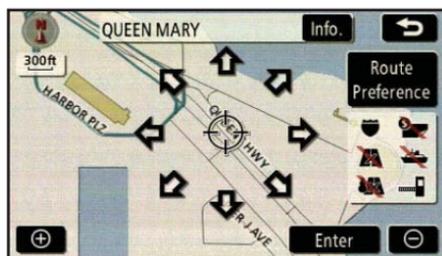

step 1 Press the `DEST` panel button followed by POI Category.

step 2 Touch Current Position to search for points of interest in the vicinity.

step 3 Touch the desired category icon.

step 4 Touch the desired sub-category icon followed by `OK` and then touch `Show List` to see the points of interest in the vicinity.

step 5 Use ⬆ or ⬇ to scroll up or down. Touch the point of interest followed by `Enter` and then `Guide`.

DESTINATION INPUT - POINTS OF INTEREST (POI)

POINTS OF INTEREST BY CATEGORY - VOICE RECOGNITION

step 1 Press the voice command button on the steering wheel. After the beep say, *"Nearest hotel."* Most POI categories can be found by saying, *"Nearest <POI category.>"* See page 18 for a list.

step 2 Press the voice command button on the steering wheel. After the beep say, "Add to destination" or "Replace destination." To see a list say, "Show list."

step 3 Touch the point of interest followed by **Enter** and then **Guide**.

step 1 Press the **DEST** panel button followed by ▶ 1/2 .

step 2 Touch 📖 Phone # .

step 3 Input the area code and telephone number followed by OK . It is not necessary to dial "1."

step 4 Select the business or registered address from the screen.

Quick Tip - Personal telephone numbers cannot be used for Destination input unless previously added in the Address Book.

step 5 See page 15 to select desired Route Preferences. Touch **Enter** .

step 6 Touch **Guide** to start route guidance.

SET HOME

step 1 Press the `MENU` panel button followed by ![My Places]. Touch `Register` to input your home address.

step 2 Make sure that you are in the desired Search Area. Touch ![Address].

step 3 Input the house number.

Tip - For security reasons, use a point close to your home instead of your actual home address.

step 4 Touch `Street` and input the street name. Touch `List` to see all of the available options.

step 5 Use ![up] or ![down] to scroll up or down. Touch the desired street and go to step 8. If the street you are looking for is not listed, touch `City` and go to step 6.

step 6 Touch `Input City Name` to type in the city name or select from a previously selected city. If the city is not available try the next largest city in the vicinity.

step 7 Touch the desired city. Select the desired street.

step 8 If necessary use the arrow keys to adjust the position on the map. Touch **Enter** to confirm the position.

step 9 Touch **Icon** at the top left of the screen to change the home icon.

step 10 Touch the desired icon for your home.

**step 11** Touch **OK** at the bottom of the screen.

CONNECT A BLUETOOTH PHONE

(i) Information   (| Beep Off)

Maintenance   Telephone   Calendar   Language

Screen Setting

step 1 Press the `INFO` panel button followed by [📱].

Quick Tip - Verify the Bluetooth cell phone has been approved by visiting www.Toyota.Letstalk.com.

📱 Telephone   🔵 BT   Hm No Connect

Number   Input phone number   ◄

Connecting
Please make connection from telephone

Device Name: : HANDS FREE

Passkey: : 1111

Input passkey into telephone

step 5 In the approved Bluetooth cell phone, input the passkey listed on the screen. Please refer to the cell phone manufacturer's owner's manual for pairing procedures.

📱 Connect Bluetooth   (Cancel)

Connecting

Bluetooth connection successful

Device Name: : HANDS FREE

Passkey: : 1111

Input passkey into telephone

step 6 Upon connection, the system will indicate that the pairing process was successful.

Quick Tip - Up to 4 Bluetooth cell phones can be paired. However, only one Bluetooth cell phone can be used at a time.

CALLING BY VOICE RECOGNITION

step 1 Press the voice command button on the steering wheel. After the beep say, *"Dial by number."*

**Quick Tip** - Speak clearly and at a moderate speed after the beep sound has played.

step 3 Press the voice command button on the steering wheel. After the beep say, *"Dial."* If the incorrect number has been inputted or if you wish not to complete the call, touch Cancel .

step 5 To end the call touch [☎].

step 2 Press the voice command button on the steering wheel. After the beep say the phone number digits individually, without pausing (e.g. *"Eight, zero, zero, five, five, five..."*).

step 4 The call is active after Calling changes to Talking .
Some Bluetooth equipped cell phones may or may not show battery or signal strength on the display.

Touch the Mute icon to mute the conversation. When muted the yellow indicator above the icon will appear. Touch the Mute icon to unmute the active call.

Touch the Transfer Call icon to transfer the active call to the paired cell phone for a private conversation.

Quick Tip - A noisy environment may prevent the voice recognition system from understanding your commands. It is recommended that you reduce background noise (including passenger conversation and wind noise) prior to using the Voice Recognition system.

14

ADDITIONAL NAVIGATION FEATURES

SEARCH AREA

Prior to inputting the desired address select the desired Search Area by pressing Change. If the incorrect Search Area is chosen, the system will either find an address that closely matches in that area or will indicate that the address cannot be found.

Select the desired Search Area, and touch OK.
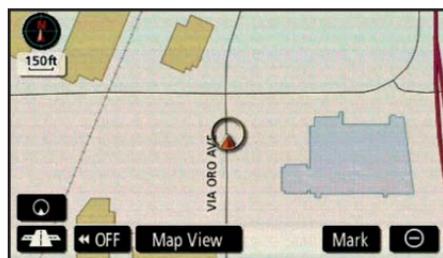

ROUTE PREFERENCES

Once the address has been inputted, select the desired route preference(s) for the trip. For example, if Allow Toll Road is not selected, the system will route over non-toll roads which may take longer to reach the destination.

3 ROUTES

One of the three routes may be chosen for the trip. Quick 1 offers the shortest route by time; quick 2 is the second fastest route; short is the most direct route based upon driven mileage. The system does not account for traffic signals or traffic flow.

SCREEN PREFERENCES

Touch ⓞ to select from seven different screen viewing options. Three screen preferences are available when the map is visible and four additional are available during route guidance only.

 Single Map Mode

 Dual Map Mode

 Compass Mode

 *Turn List Mode

 *Arrow Guidance Mode

 *Freeway Exit Info Mode

 *Intersection Guidance Mode

* Selections available when in guidance mode.

ADDITIONAL NAVIGATION FEATURES

BEEP SETTING

PRESS INFO > BEEP OFF
Switch off the confirmation tone by touching
Beep Off at the top of the screen. When the
yellow bar appears this feature has been disabled.

VOLUME SETTING

PRESS MENU > VOLUME
The Volume feature allows for the adjustment of
the voice guidance commands. Touch the desired
volume level and touch OK to confirm your
selection.

KEYBOARD SETTING

PRESS MENU > SETUP
Set the layout of the keyboard as alphabetical or
standard QWERTY keyboard. Touch OK to
confirm your selection.

SCREEN TRANSITION

PRESS INFO > SCREEN SETTING
Touch OFF to prevent the system from reverting
to the map display. Once the screen transition is
switched off, the audio screen will remain without
reverting to the map display. Touch OK to
confirm your selection.

FREEWAY EXIT INFO MODE*
During Route Guidance on a Freeway or Toll Road,
a variety of points of interest such as Gas Stations,
Restaurants or Hotels can be viewed during your
trip.

To access this feature, select Freeway Exit Info
Mode from the Screen Preferences (see page 15).
Upcoming freeway exits will be listed by the
number or name along with the POIs in the vicinity
of the exit ramp. Select the desired exit from the
list to see the POIs at that particular exit.

* This feature is only available while in Route Guidance and travelling on a freeway or Toll Road.

ADDITIONAL NAVIGATION FEATURES

ESTIMATED DISTANCE AND TIME*

The navigation system will provide an estimate of the distance and time to the destination based upon the suggested route during guidance. The system automatically calculates the remaining miles until you arrive at the destination. Based upon the distance traveled, the system will also provide an estimated time until arriving at your destination.

The system can be customized to match your driving habits. To adjust the speed for residential, main streets or freeways please refer to the Navigation Owner's Manual for a complete description of this feature.

* The system does not account for traffic signals or traffic flow.

OPERATION OF VEHICLE EMERGENCY SCREEN

Press the **DEST** panel button followed by

 to access four emergency destinations:

• Police Stn. • Hospital • Dealer • Fire Stn. Touch the desired destination.

Once selected, the system will provide a list of locations sorted by distance. If the vehicle is in motion, the system will display the nearest location automatically. Touch **Guide** to start route guidance.

VOICE COMMANDS

Press and release the voice command button on the steering wheel to activate the voice recognition feature. After the beep, say one of the voice commands listed or say "Help" for additional options. Please refer to the Navigation Owner's Manual for additional information.

NOTE ON VOICE RECOGNITION

The navigation system voice recognition feature will compare your spoken words with computer-generated word patterns preprogrammed in the system database. If the system does not provide your intended match, please try a different pronunciation. Voice-activation names are not available for every street and city. Please see the Tips for Using Voice Recognition section on page 5 for more information about this feature.
