# Toyota Supra Connect iOS Mobile App Enrollment

**STEP 1** Download "Toyota Supra Connect" app.

**STEP 2** Open the Supra app to review Terms & conditions.

**STEP 3** Check the box and select "Agree."
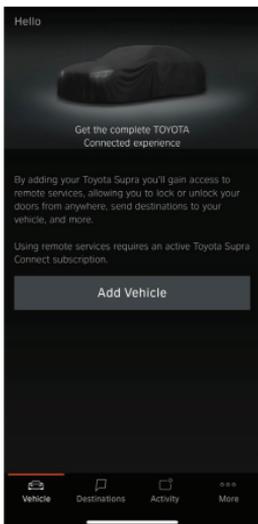

**STEP 4** Select "New User."

**STEP 5** Select English and enter a valid email & password then select create account.

# Email & Activation of Toyota Supra Connect Account

A confirmation email is sent to the email provided during the enrollment process. Click on the link in this email to enable your account. Next launch the Toyota Supra Connect app and login.
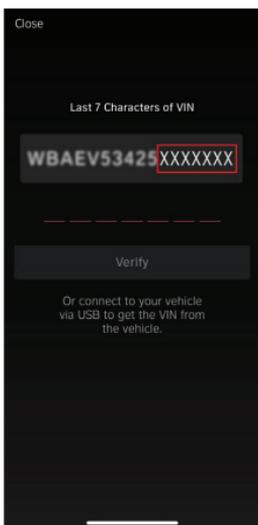

# Adding Vehicle to Toyota Supra Connect Account
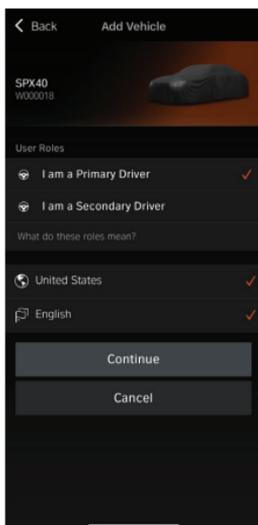

**STEP 1**  Select "Add vehicle."

**STEP 2**  Connect an iPhone® with approved cable into the USB for automatic VIN detection or manually enter the VIN.

**STEP 3**  If the VIN is entered manually only the last 7 characters are required.
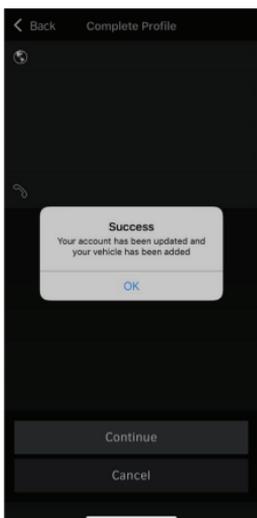

**STEP 4**  Provide Primary Driver information and select "Continue."

[1] Apps and services available only on iOS devices, vary by phone carrier, and are subject to change at any time without notice. Data charges may apply. See **supraconnect.com** for details.
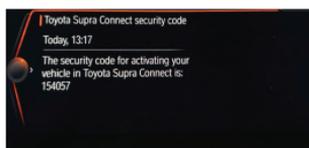

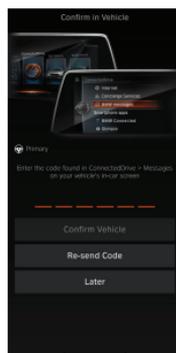

Several factors may affect smartphone and/or system performance *including*:

1. Smartphone operating system software version
2. Smartphone battery power level
3. Poor cellular reception to the smartphone
4. Multiple applications running on a smartphone at the same time.
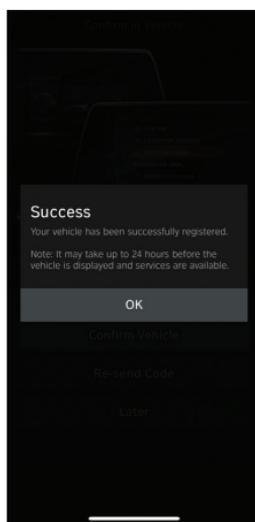

# Adding Vehicle to Account Continued

**STEP 5** Once the success pop–up appears select "OK" and "Continue."

**STEP 6** Security code is sent to Supra audio multimedia display

**STEP 7** Enter 6 digit security code onto the iPhone® & select "Confirm Vehicle."

**STEP 8** The vehicle is successfully added.
